## Jobs Opportunities in Monroe

FISH has not screened the Job Opportunities in this flyer and does not recommend the employers. The position openings are compiled from public resources including indeed.com, Monroe Local News, Facebook Walton County Job Listings, and the Internet. Always use reasonable precautionary measures when scheduling interviews and meeting with prospective employers. Do not send money or cash checks for contacts.

---

### Announcements

**Technical and Engineering Positions.** Shire facility opening, 505 Baxter Parkway, Social Circle, GA. 30025. 71 new jobs posted. Read jobs, descriptions, and requirements at indeed.com. Apply on company website <https://jobs.shire.com/>

**Facebook's Newton Data Center is under construction and has begun hiring in several areas, including construction, operations, and security.** Newton County, Georgia, will be home to Facebook's newest data center.. Estimated to add 100 new jobs. Look for open positions to be posted in the next couple of weeks at <https://www.facebook.com/careers/locations/>. See current open positions on the Newton Data Center's career website. <https://www.facebook.com/careers/jobs/>

Are you or someone you know interested in a manufacturing job? **Athens Technical College** is currently recruiting for upcoming **ManufactuREADY** classes. These classes are geared towards unemployed individuals who have little or no manufacturing experience, but who wish to re-enter the workforce with new and in-demand skills. The program fee and all required materials are covered for those who meet eligibility requirements. Visit <http://bit.ly/ManufactuREADY> for more information and an application. #partnersineducation #whywalton or call Kelsie Walker at 770-842-2494.
